**NOTE:** Department is attempting to determine whether there is sufficient information in this case upon which it could initiate action against subject. In connection therewith, it requested Brennan (former PSI of Miami Office) be contacted. Brennan advised he would be willing to testify. However, he expressed a desire to receive a retainer <sup>over</sup> and above that which is normally furnished to a Government witness appearing in Federal Court. Presumably, New Haven made no comments in this regard; however, as this information will be passed on to the Department, we should check with New Haven.
